1	Not having to wait too long for appointments.
2	Good service all round.
3	I have always been treated superbly
4	Everyone is friendly and helpful
5	Good medical practice. Friendly team.
6	Good medical practice.
7	All staff are first class
8	30 odd years of good attention
9	Excellent surgery. Brilliant doctors and reception.
10	I have been a patient here for many years (1989) and have been very well cared for.
11	Everyone is always helpful and friendly.

12	Doctors and staff so professional and caring. No problem in booking an appointment.
13	My family have been with this practice for many years, 70 plus.. We have always been satisfied with the care we have been given and doctors and staff, old and present, have continued with the same service.
14	Have never had any problems or issues with the practice.
15	Friendly staff and doctors.
16	Always been looked after very well by everyone.
17	Staff are kind and helpful. No waiting to see anybody.
18	All good but the waiting area is too hot and can be very noisy when children are waiting. Some older people (not me) find this very stressful. Smaller areas for waiting!
